

# Sage Project Lifecycle Management

## System Requirements

The following document provides a brief overview of the minimum system requirements for the use of Sage Project Lifecycle Management. These specifications should be used as a guide, and may be updated upon future releases.

### Home Page

If users are expected to only perform activities within the Home Page of Sage Project Lifecycle Management, the following minimum specifications are required.

Channel System Requirements	Minimum
Operating System*	Microsoft® Windows® XP SP2+ Microsoft Windows Vista SP1
Internet Browser**	Internet Explorer 6.0 Internet Explorer 7.0
Screen Resolution	1024 x 768
Memory (RAM)	128MB - Microsoft Windows XP 1GB - Microsoft Windows Vista
Printer	Any OS Compatible
Java Runtime Environment	JRE 1.5.0

\*There is no support currently available for 64bit Operating Systems.

\*\*Other browsers such as Mozilla Firefox and Google Chrome are not supported and are used at your own risk.

### Sage Viewer

If users are expected to perform activities within the main Sage Project Lifecycle Management site and have the ability to interface, mark up, and comment on drawings using the Sage Viewer, the following minimum specifications are required.

Channel System Requirements	Minimum
Operating System*	Microsoft Windows XP SP2+
Internet Browser**	Internet Explorer 6.0 Internet Explorer 7.0
Screen Resolution	1280 x 1024
Memory (RAM)	1GB - Microsoft Windows XP 1GB - Microsoft Windows Vista
Printer	32MB, PCL3 or PS3 compatible language simulation
Java Runtime Environment	JRE 1.5.0

\*There is no support currently available for 64bit Operating Systems.

\*\*Minimum memory requirements are 1GB, but additional memory may be required for large drawings.

### Microsoft Office Integration

If integration between Microsoft Outlook® and Sage Project Lifecycle Management is required, the following minimum specifications apply.

Microsoft Office Integration	Minimum
Operating System	Microsoft Windows XP SP2+ Microsoft Vista
Outlook Version	Microsoft Outlook 2003 Microsoft Outlook 2007
